Re: Referral — Robinson O'Hara Rodriguez, PA-C

Dear [Provider Name],

I am writing to introduce Robinson O'Hara Rodriguez, PA-C, a physician assistant at CovenantCare Practices' Hilldale location. Rodriguez, PA-C is fluent in both English and Spanish and practices alongside a Spanish-speaking medical assistant, making CovenantCare Hilldale one of the few primary care offices in the area offering a fully bilingual care team.

If you have Spanish-speaking patients who lack an established primary care provider — or who have struggled to find care in the language they are most comfortable with — Rodriguez, PA-C would be an excellent resource. He provides comprehensive primary care for patients of all ages, including:

- Annual wellness and preventive care visits
- Chronic disease management (diabetes, hypertension, etc.)
- Acute and sick visit care
- Referral coordination to specialty providers
- Care continuity and follow-up

Robinson O'Hara Rodriguez, PA-C is currently accepting new patients and welcomes referrals. We are committed to strong communication with referring providers and will ensure timely consultation notes and follow-up coordination.

I would welcome the opportunity to connect and discuss how our organizations might serve our shared patient population together. Please feel free to reach out at any time.

Respectfully,

Alisha Harvey

President, CovenantCare Practices
